

EARPLUGS

Uvex X-Fit

Uvex make x-fit ergonomically shaped foam earplug is characterised by very high sound absorption level making it particularly suitable for loud environments

The x-fit has an innovative “x” emboss that helps reduce the pressure on the ear canal, making it more comfortable, in addition to making it easier to grip when removing the earplug

Has a sealed surface, reducing the potential for contamination. The soft foam offers real comfort, even when worn for extended periods

The colour of the ear plug is bright green for better visibility
Provided with PVC cord

RATINGS

are SNR 37dB - H=36, M=34 , L=34 dB

APPROVAL

CE certified to EN 352-2

Uvex Dispenser

Easy-to-use, robust wall-mounted dispenser

Easy installation and a controlled release mechanism which ensures the correct number of plugs are dispensed.

The transparent design makes it easy to monitor the number of earplugs remaining

The collecting tray catches the earplugs

Installed at a convenient location, the dispenser has sufficient capacity to supply large production areas with hearing protection at a favourable price

Dispenser for 400 pairs uvex disposable earplugs
